Branding

Using primary color "Outpatient Orange" #FF7A62 for app icon background with white logo mark.

Dark navy blue contrast color background for marketing with orange and white logo.

APP ICON

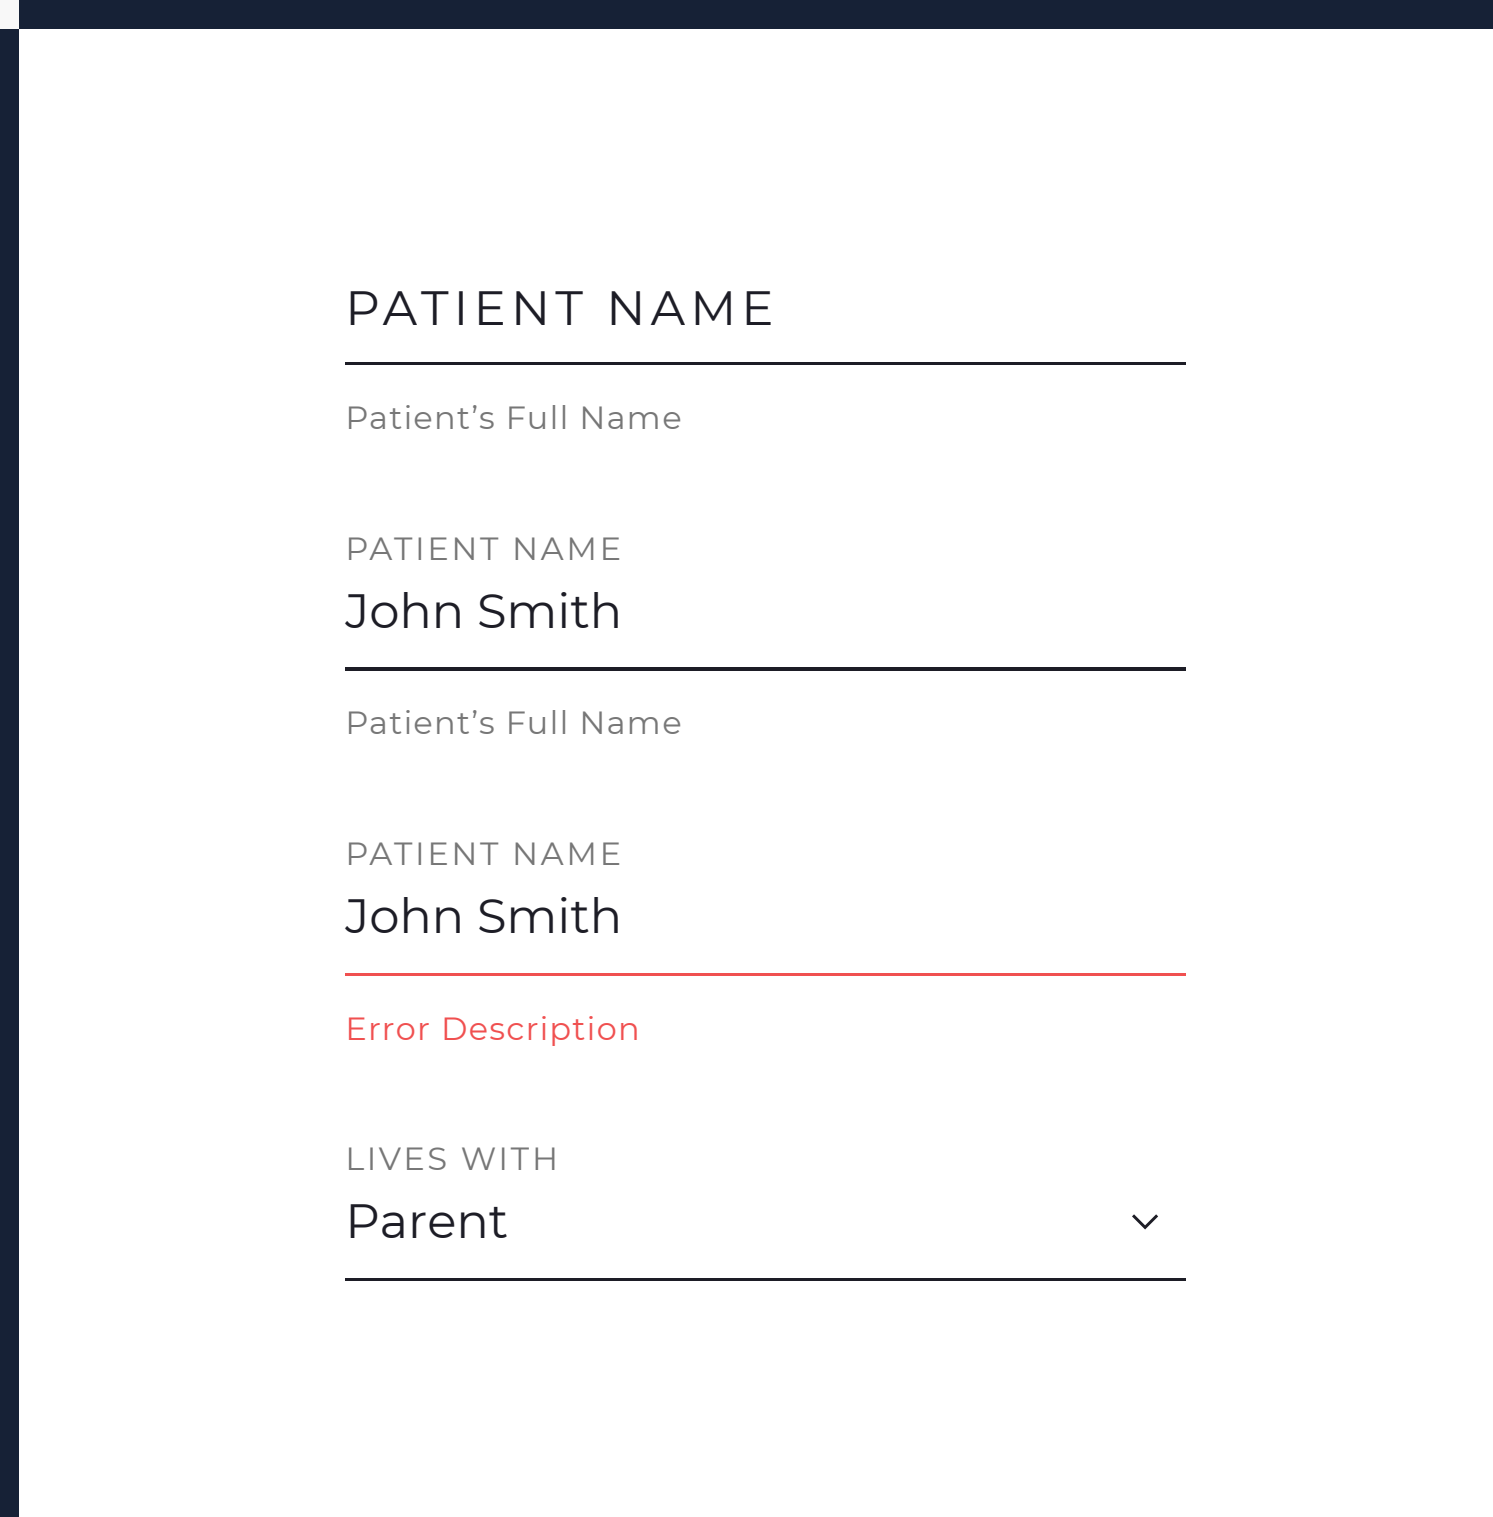

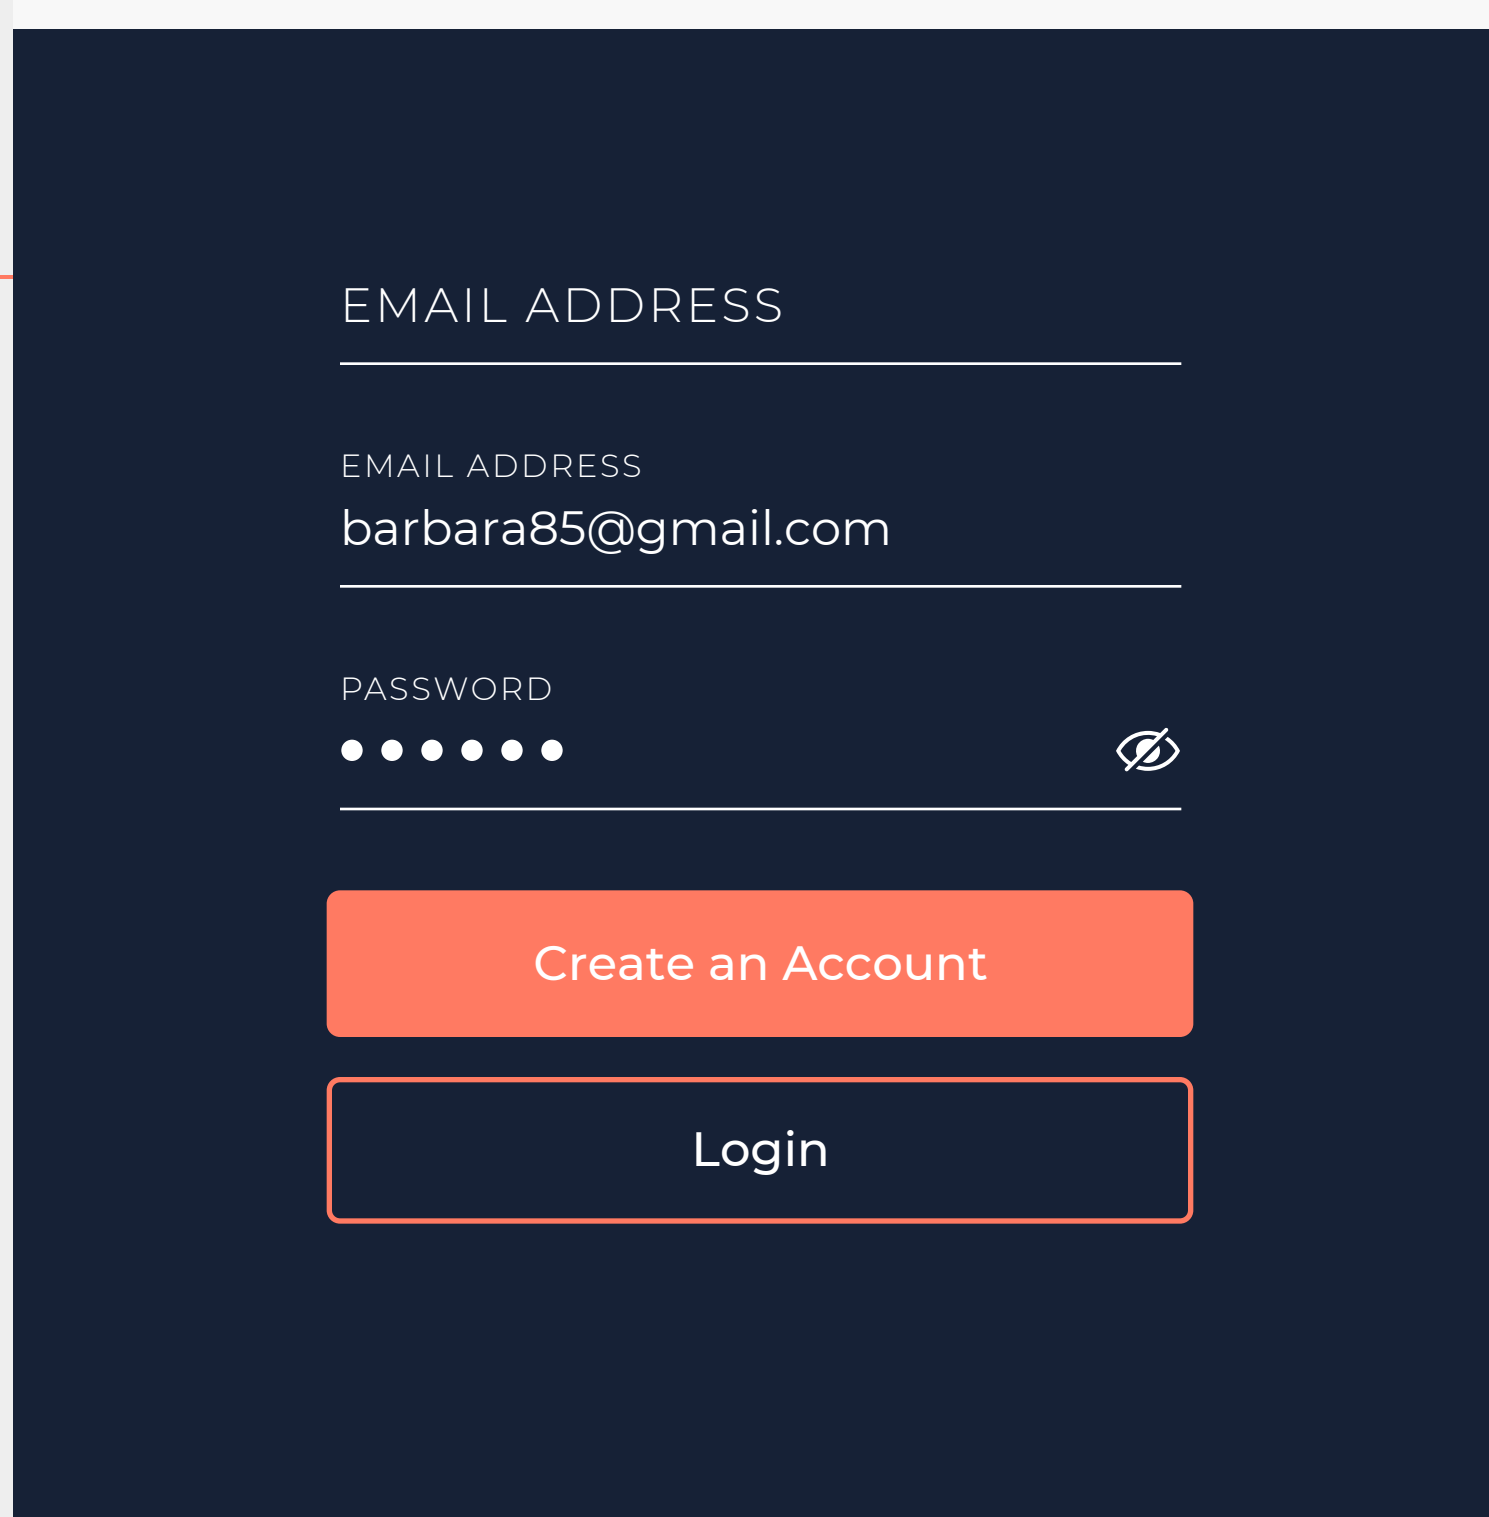

LOGO

UI Elements

Animate input label with 1 second duration.

Illustrations

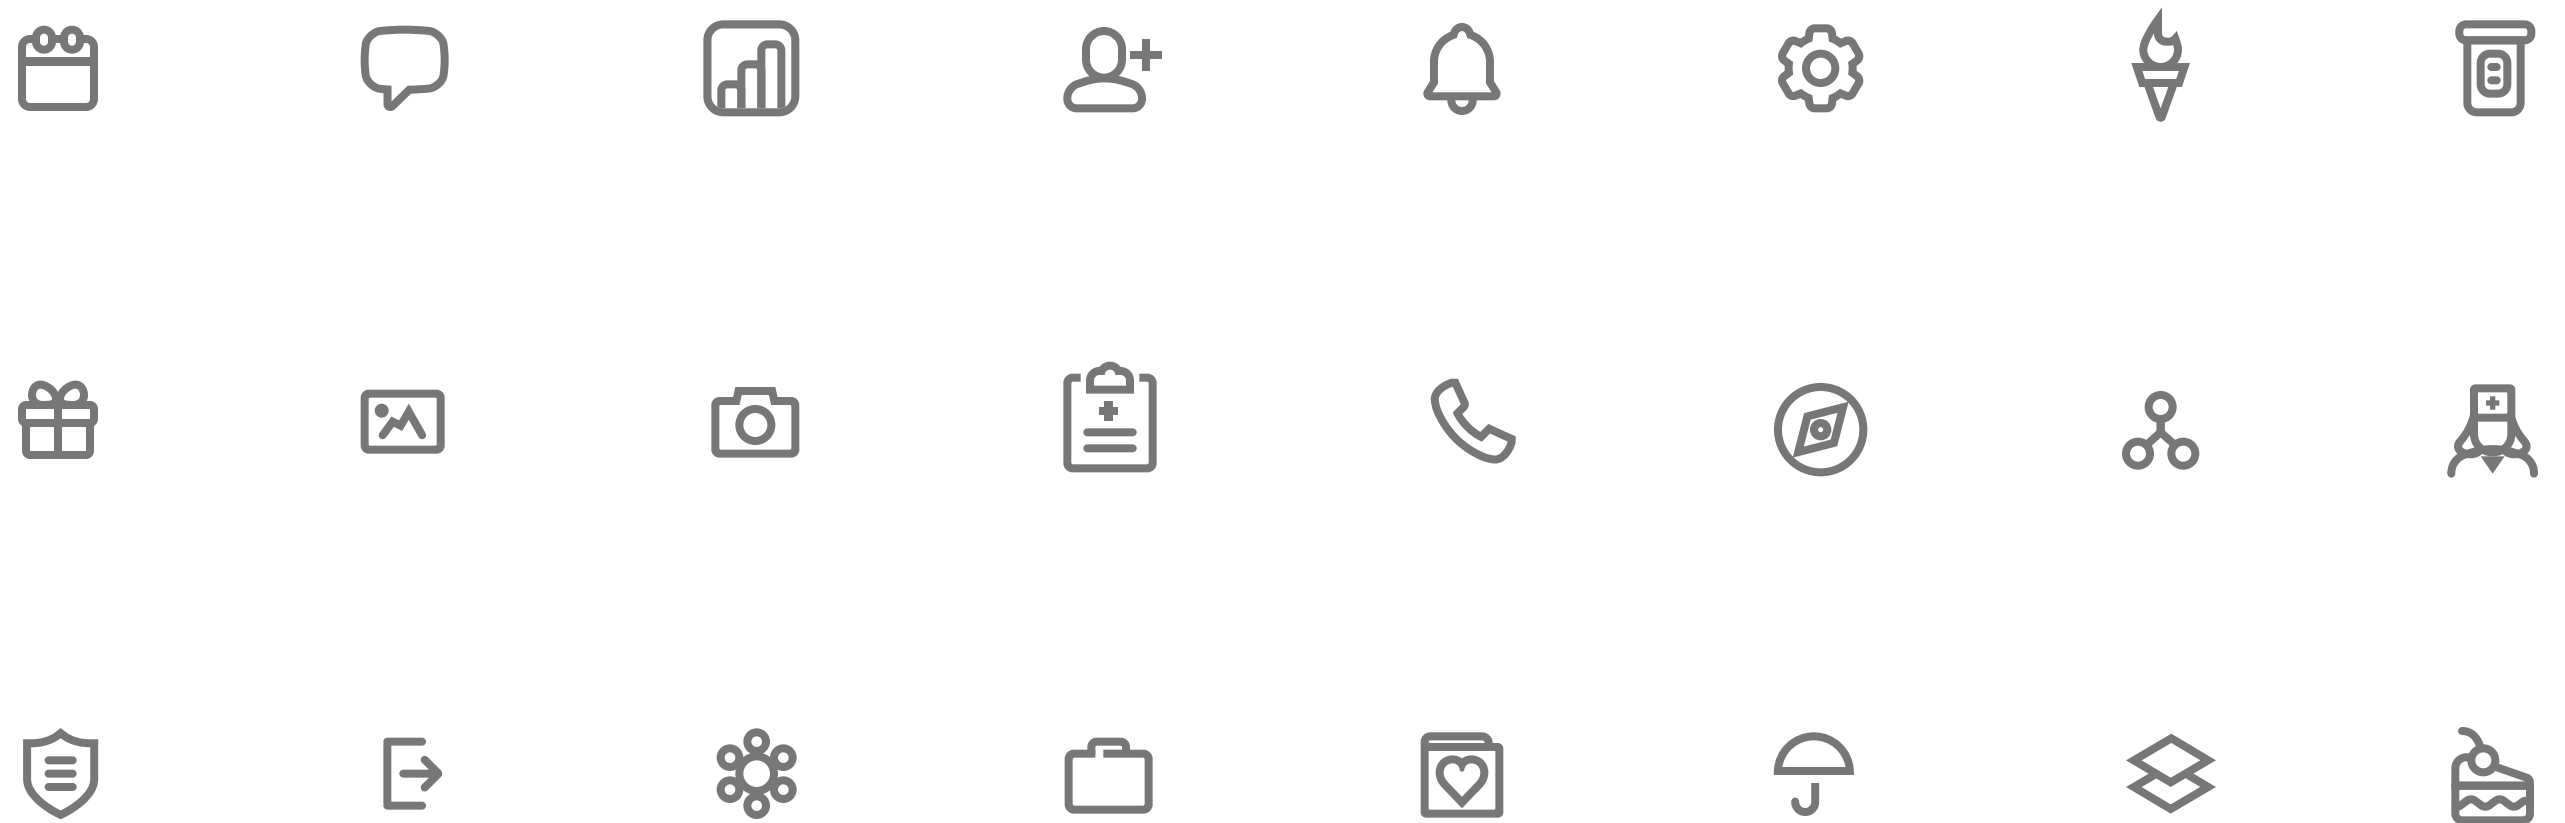

Flat style graphics for illustrations.

Iconography

Using line icon style to represent the actions and destinations within the app.

80x80 max with 6px border.

Elements

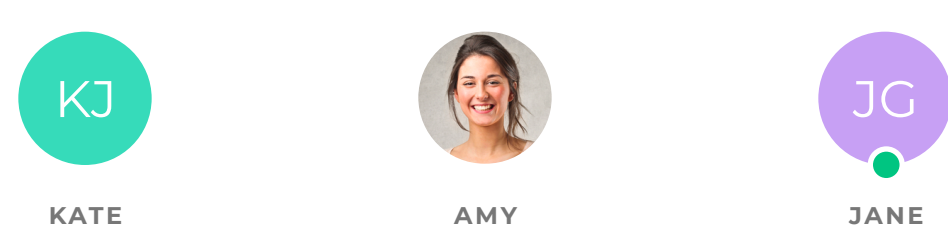

Avatars display user's initials with supporting color for background when user doesn't have a profile photo.

Display user's first name below the avatar unless container space is too small.

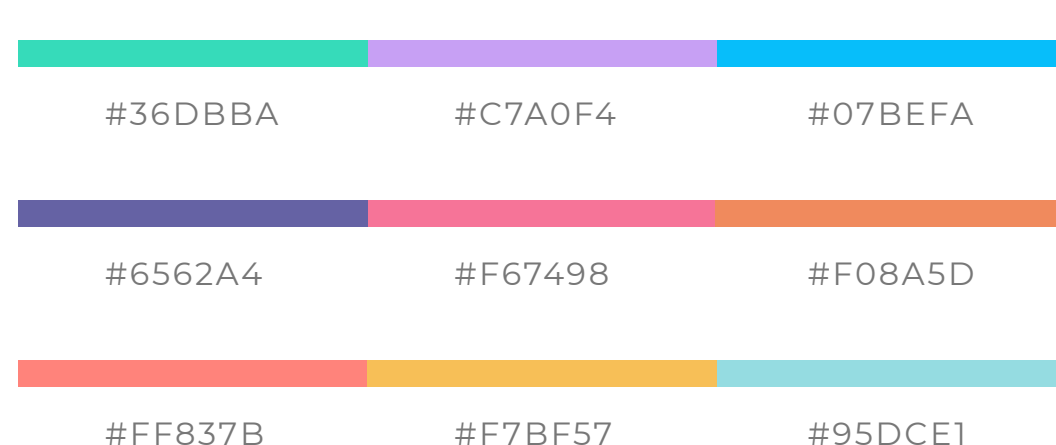

Using larger stylized icons for empty sets. Light subtle dropshadows can be used to create depth.

Using white or #F8F8F8 for most backgrounds.
